

Barr, Vette Mittler, Marilyn Monroe, Loretta Lynn, Crystal Gayle and possibly Wayne Newton (a child singing protege, who never wrote a check for himself in his life). They also use lots of slave handlers such as Frank Sinatra, Peter Lawford, & Bob Hope. And occasionally the use programmers such as Anton LaVey, Jerry Lee Lewis.

Cisco, the co-author of this book, while in the Illuminati, was given repeated reason to believe that Elvis Presley was also a Multiple programmed by the Illuminati. We know that at times he went by code names, one which is publicly known was John Burrows. His group, called the Memphis Mafia, have talked about his ability to go into altered states of consciousness, even seem dead. Recently, another Illuminati slave, also stated that Elvis was an Illuminati slave. Cisco points out that Elvis' twin brother was dead at his birth, and that Elvis knew that this gave him double spiritual power (according to Illuminati beliefs). The Illuminati will often kill a twin, so that the other will get the power of two souls. From what we understand, Elvis Presley's handler/programmer was a Col. Tom Parker. Elvis belonged to a team of 4 Illuminati men. Elvis is publicly known to have studied yoga, numerology, drugs, and received some new age spiritual training in an academy overlooking Pasadena, CA. He was an active member in the Theosophical Society. After Elvis Presley supposedly died, the Sun International Corp. came out with an Elvis Presley album called Orion, with the winged-sun-disk on its cover. The winged-sun-disk is an important Egyptian magical symbol used by the OTO, Theosophical Society etc. Mae Boren Axton, known as the Grand Dame of Nashville, played a pivotal role in Elvis Presley's life. Elvis & the Beatles were chosen by the Illuminati to introduce rock music to the United States. There is no doubt about Elvis' and the Beatles' musical talent. Elvis' close friend Wayne Newton is highly suspected as also being a slave. Elvis worked with Burt Reynolds and Jerry Lee Lewis who also connect in with the Illuminati's mind-control operations. The authors are puzzled why Elvis' grave, which

had millions of dollars spent on its security, has his name misspelled? We are also puzzled why Elvis, who repeatedly stated he wanted to be buried beside his mother, is buried beside his father, who he privately stated wasn't even his real father. Why has no one ever tried to collect insurance on Elvis' death? Once again, it seems, the front stories that the public hears are full of inconsistencies. We believe that some people in the Illuminati know the true story about Elvis Presley. For sure Elvis' mysterious mind-control programmer/handler Col. Tom Parker would know.

### STAR TREK, THE NEXT GENERATION

The original series of Star Trek had lost money, but in September, 1987 a new series called Star Trek, The Next Generation was started with \$1 million dollars budgeted for each of its 24 episodes. The episodes pushed the Illuminati's agenda in every show. People were being aroused to bombard Paramount with requests for a new Star Trek.

Bob Justman who worked with Roddenberry said, "When I left Star Trek in 1968 it was a disaster. It was a failure as far as the network was concerned." That is because it didn't make money. Hollywood tells us it makes these movies because they are what the public want and that they have to go where the money is--the closer truth is that Hollywood makes movies that push an agenda--Hollywood makes movies that Hollywood wants to make. And since Star Trek was part of the NWO's mind-control, the show and its successors had to go on.

How important is Star Trek? A witness has talked about Boeing workers sneaking off their jobs and hiding in the tunnels underneath the huge Seattle Boeing plant so they could watch Star Trek shows. This enormous Boeing plant is used for rituals and mind-control. This Boeing building is enormous, for it is where they have assembly lines to build the huge jets, like the 747s, 707s, etc. An extensive maze of tunnels lays underneath the main building, large enough to accommodate all the tens of thousands of workers on any shift.
